

Syllable Pyramid

To be used with video: https://youtu.be/ACK1c4_9IVM

Instructions

Start at BEGIN. Listen to the instructor read a word or group of words. Decide how many syllables you hear, and move down one level to that number. Continue for each word/word group, moving down one level at a time, until you get to the last row in the pyramid. Check if the number you ended on is the same as the instructor.
